CAMPUS TO CORPORATE INTERNSHIP

Offer Letter - 2026/27

Date of Issue: 27 October 2026

This is to certify that **Arularasi U**, currently studying at **Saveetha Engineering College (Autonomous), Thandalam, Kancheepuram**, has been selected through the Campus to Corporate Internship Drive held on **27 October 2026** for an opportunity to pursue the prestigious Campus to Corporate Internship Program at TAP Academy, Bengaluru.

Designation: Software Development Intern

Location: TAP Academy, BTM Layout, Bengaluru

Tentative Commencement Date:

Program Overview: The C2C Internship Program provides candidates with end-to-end training in software development, hands-on project experience, and exposure to industry practices. A unique feature of the program is the AI-Agentic Coding module, enabling candidates to learn how AI-driven coding assistants and autonomous frameworks can boost productivity and prepare them for future-ready careers.

Terms & Conditions:

Internship Mode: The internship will be conducted entirely offline, with all training and project activities taking place at our Bengaluru campus.

Training Materials: TAP Academy will provide AI-enabled learning resources to support interns throughout their training journey.

Certification: Upon successful completion, candidates will receive an Internship Certificate and will be offered placement opportunities with our corporate partners, with a minimum package starting from 3 LPA.

Validity: Please note that this offer is valid for 7 days from the date of the internship commencement. Failure to accept within this period will result in the offer being rescinded.
